EVENT FORMAT, ENTRY DIVISIONS & PROFICIENCY LEVELS

Each event will consist of one to five dances in succession without leaving the floor. Places will be determined by the best combined score for all dances in that event. Awards will be presented to the top six couples in each event. We may cancel or combine events with fewer than 3 entries.

The competition is organized into Divisions (Standard, Latin, Smooth, and Rhythm), and Syllabus and Open Level events within each Division.

Proficiency Levels. The following chart illustrates the increasing Proficiency Levels in each Division:

Syllabus Levels			Open Levels		
Bronze	Silver	Gold	Novice	Pre-Championship	Championship
→ → → Increasing Level of Proficiency → → →					

In the Syllabus Levels, Newcomer events (1st five steps of Bronze) are also offered, preceding the Bronze Level.

Competitors may enter up to two consecutive Proficiency Levels in each Division with the same partner (no lower than the lowest proficiency level for which they are qualified and one higher—E.g. Newcomer and Bronze, or Bronze and Silver, or Silver and Gold, or Gold and Novice, or Novice and Pre-Champ, or Pre-Champ and Champ.) **Competitors can register for events in up to two consecutive Age Categories in any one Division (Standard, Smooth, Latin or Rhythm). Mixed Proficiency amateur events are offered at all Syllabus levels. Both partners of this team must be current Adult Athlete members of USA Dance. A Mixed Proficiency couple is defined as a couple in which the partners are either (1) different age levels and/or (2) different proficiency levels. Only the designated partner is judged in Mixed Proficiency partnerships.**

Couples must not compete in any events below the minimum proficiency Level which is appropriate to their level of dancing and for which they are eligible under USA Dance Rules. Competitors are responsible for verifying their eligibility for an event before registering. Both partners must be eligible for each event they enter.
